

Resetting a Course

If you're getting ready for a new semester, you can use manual enrolment to clear your students OR do a course reset.

1. Under Course Administration > Click "Reset"
2. Use the following settings, or adjust as needed:

Reset course

This page allows you to empty a course of user data, while retaining the activities and other settings. Please be warned that by choosing items below and submitting this page you will delete your chosen user data from this course forever!
