

Memoir of a Hero Project: Research and Planning Outline

Name of person:

1. Research: (Make notes including list of sites used) Remember your narrative will need descriptive elements so research those as well.

2. State and explain the stage of the hero's journey that you will focus on including traits of the person that you want to include directly or indirectly. Briefly list the events you will include in the memoir. Connect to the stages of the hero's journey in Campbell's monomyth. You can review here...
