

## Assignment: Visual Literacy

**Step 1:** Choose an infographic from the options provided. Provide the title of your selected infographic.

**Step 2:** Display your understanding of visual literacy by answering the following questions, with regard to your chosen infographic.

1. What is the main focus of your chosen infographic?
2. What is the author's purpose of creating this infographic?
3. How does the author demonstrate their authority or knowledge of the subject?
4. Explain how specific visual elements support your understanding of the author's topic or their analysis of it? Discuss at least 2 elements to meet expectations, or more to show your mastery of Visual Literacy.
5. If you could improve this infographic, what would you change? List at least 2 options to meet expectations, or more to show your mastery of Visual Literacy.
