Unit 2 ~ Learning Guide

Student Instructions:

Complete the following learning guide as you work through the related lessons. You are required to **have this package completed BEFORE you go on to the next unit**. Do your best. Ask your home facilitator for help as needed and contact your teacher if you have further questions. See below for the Learning Guide marking rubric.

Home Facilitator Instructions:

As soon as your student has completed a worksheet or two, please mark and go over the answers with him or her. Talk about sections where the student excelled and sections where the student had any difficulty. Students learn more if they can get feedback as they progress through the course.

Ideas and Content	No attempt was made to address any of the tasks. <i>0 points</i>	Overall a minimal effort was made to complete the tasks and/or it appears the selections were not read or viewed. <i>1 points</i>	While there is evidence of effort, one or more of the following is noted more than once or twice: 1. 2.5 Nature Journaling

Observing and Recording Details

Find a place in nature that is close to you where you can sit and observe without being disturbed. Use all your senses to observe the natural world surrounding this particular spot.

Close your eyes and focus on your surroundings for a few minutes. Try to separate yourself from civilization. What do you hear? Smell? Taste? Feel? • Jot down your feelings, emotions, and sensations. What are your attitudes toward your present surroundings? What connections do you feel to this particular spot? • Observe cloud patterns. Observe wildlife, including insects. Observe a tree, a bush, or a plant. • Illustrate what you see. • Listen to the wind and record what it sounds like. Try illustrating the wind. Be specific. Use an analogy to compare what you see.

You complete your journal using point form, sketches, text, etc. Use the blank page that follows:

2.6 Sharing Stories

Responding to Text

Most of the selections you have just read or viewed all look at different perspectives on nature.

Think about how these shared stories have impacted your perspective on nature. Write a journal type entry with regards to any new understandings you have reached as a result of what you have just read/viewed in this unit.
