Projects and Assignments

Before you start unit projects, you must submit all of the unit's course work.

Projects:

As you work through units use the projects to enhance your understanding in areas or interest and/or weakness.   If you wish to explore another area of interest within a topic area, feel free to propose your idea to your teacher.

Keys to Success:

1. Actively work through each lesson, trying examples and reflecting on material.
2. Use the course work to build your competency.
3. Make sure you understand all project requirements. If you can't figure it out - ASK!
4. Be sure to use the message system for regular communication with your instructor.
