

Inquiry Question

To what extent are the rights of animals and women connected?

Name: _____ Date: _____

Background

One of the main themes of this course is how eco-social justice issues are connected. In this unit you had quick introduction to the idea that animal rights and women's rights are connected. How true is this argument? To what extent are the rights of animals and women connected? Why are they connected?

Instructions

1. Answer the questions: To what extent are the rights of animals and women connected? Why are they connected?
2. Remember that a "to what extent" argument is asking you to make a judgement about "how much" – a little, somewhat, significantly, a lot? Back up your arguments with examples.
3. Research these questions after reviewing what you already learned in this unit. Some good Google searches to get you started are:
 - a. Ecofeminism
 - b. Animal rights and feminism
 - c. Animals and female oppression connections
4. How you structure the project is up to you. Consider presenting your thinking as a video, essay, graphic organizers, mind map, or another format or combination of formats you think would work well. You can write down your argument, and/or record yourself talking. Talk to your teacher if you have any questions.

5. Remember that unit projects make up the bulk of your assessment and should be the place you reveal your best work based on the knowledge and insights you have learned in this unit. These are big projects, not little assignments, and should show a depth of understanding and knowledge.
6. *Remember to include a list of your sources.*
